World Cup Supply, Inc. will generate a mock-up according to your specifications for each order at no charge. To fine tune the design to your liking we then allow for two rounds of revisions which is usually sufficient to bring the design phase to conclusion. Additional customer requests for revisions after the two rounds will be provided at \$50.00 each.

Generally mock-up requests take two to three business days to complete. Please allow three weeks for production time after approval of the mock-up. Once the mock-up is approved by you we require 100% deposit before we can queue the order into production. At that time your shipping address and shipping phone number will need to be verified.
